FROM THE PRINCIPAL’S DESK
Tonight we will be holding our Greet, Meet and Eat evening under the COLA near the hall.
I am expecting about 230 people to attend. On arrival, please register to receive tickets for food
and drinks for your family. You will also be asked
to wear a name tag and take the time to introduce
yourself to your child’s teacher. I look forward to
seeing you tonight.

I would like to take this opportunity to commend
Mrs Chapman for her excellent work as Canteen
Manager. With a very small band of volunteers,
Mrs Chapman is providing some great food
options for our students and running some great
promotions. Please remember that if you can
help at any time, a phone call would be greatly
appreciated.

Although it’s great to see many students riding
bikes to school, rather than being driven, I have a
few concerns with the lack of care some of these
students have for both themselves and others.
Our school policy on bikes is that we only support
students in year three or above in riding to and
from school. If your child does ride to school,
please take the time to ensure that you have
spoken with them about appropriate behaviour
and the road rules. Many of them need to realise
that pedestrians have the right of way. If any
student continues to display unsafe behaviour
towards themselves and others, they will lose the
privilege of bringing their bike to school.

Due to use of the school hall on Thursday for
teacher training purposes, Breakfast Club will be
held in the courtyard. Duncan and his band of
helpers will implement plan B and a smooth
“show” is expected. We have been very lucky to
have the assistance of some members of the
Salvation Army who give of their time to ensure
our students have a healthy breakfast option.
Many thanks to those families who have donated
items for the Breakfast Club.

Please ensure that your child is not coming to
school too early. Supervision is not available
until 8.45 am. Other than a small group who
travel from out of town on the bus, no students
need be here before then. It concerns me to see
so many students here at 8.30 am. Please help
us to ensure your child’s safety by bringing them
to school on time.
