Congratulations to our SRC representatives for 2013.

EMERGENCY CONTACTS

Have you changed address? Home, mobile or work telephone number? Emergency contact person/s?

If you have had a change to any of the above since last year, we need to be able to update your child's information immediately. Please ensure your emergency contact person is able to come to the school at short notice to collect your child if you are unavailable.

Please contact the school office as soon as possible to notify changes.
FROM THE PRINCIPAL’S DESK

Last night I attended the Annual General Meeting of our P & C Association. I would like to thank our outgoing executive for their hard work.

I would especially like to thank Sharon Falconer for her many years of outstanding service to the school, particularly as President over the last nine years. Sharon’s contribution to Bradfordville Public School was recognised through her award of life membership.

On Monday, we held an induction ceremony for the Student Representative Council (SRC). 37 students from Years 2-6 will represent their peers. The SRC is made up of two elected members per class and all Year 6 students.

I am in regular contact with the police regarding traffic issues around the school. Please be aware that they will be working around school zones and will be focussing on parking, drop offs and pick-ups. Please remember that the area outside the front of the school is a No Stopping zone and you cannot stop there for any reason. We still have parents who want to stop and drop their children off outside the front gate.

Earlier in the week, you would have received a note regarding the stationary contribution. As we don’t use textbooks, we do a lot of extra copying for students. We ask for a small contribution per student which then goes towards the purchase of a pallet of paper. This lasts us for a substantial part of the year. Thank you in anticipation of your support.

As the weather has started to turn, many more students are wearing jumpers. Unfortunately, they are also being removed and left lying around. The difficult thing is that many do not have names in them. Please ensure your child’s name is on the jumper, preferably the collar.

For the remainder of this week, I will be representing the Queanbeyan Primary Principals at the State Council meeting in Sydney where we will be meeting with the Minister and Director General of Education. Next week I will also be on leave as I will be having minor surgery. In that time, please address all your concerns to either Mrs Cribb (Years 3-6) or Mrs Patatoukos (K-2).

E Patatoukos

Book Club orders are due back to school by Wednesday 13th March. No late orders will be accepted. Please remember to include a plastic bag for your order to be sent home in.

REMINDERS

$10 stationery payment due
Library book borrowing notes to be returned as soon as possible
K to 2 Walk to Hudson Park permission notes due back now

FIRST AID / SICK STUDENTS

Occasionally children become sick at school, and we place them in our First Aid Room. Parents are strongly advised not to send sick children to school. It is vital that all contact details for your child are up to date and accurate in case we need to get in touch with you through the school day. Basic first aid for injuries suffered at school is administered.

MEDICATION

Only prescribed medication can be administered to children at school. If your child needs to take prescribed medication during school hours, a Request For Support of a Student’s Health Condition must be completed at the school office before your child will be given the medication. Medication and the Request for Support form is to be completed and handed in to the school office.

Don’t allow your child to keep prescribed medication in their school bag. Please ensure the medication is in the container / packet it was dispensed in and is clearly labelled with your child’s name.
