Many of our Year 6 students attended the Mulwaree High School Information Night yesterday. It was great to see a number of our ex-students, now in Year 7, speaking and escorting year 6 and their families around the school. The Goulburn High School Information Night is on tonight.

The school disco is on this Friday from 5.30 pm for K-2 students. We have also invited students from two small schools, Tirranna and Breadalbane, to attend. Please note the start finish times. It can be quite distressing for students when they are not picked up on time and have to wait.

Thank you to the families who have already paid their paper and stationary contribution. It allows us to purchase what we need for the year in advance and at a great discount. Outside of excursions and performances, this amount of $10 is all we ask for. If you haven’t paid as yet, prompt payment would be greatly appreciated.

Our primary students will begin their field events athletics this week. Numbers will eventually be reduced through the heats until a number of finalists remain. These finals will then be held next week. The track carnival will be held at Hudson Park on Wednesday, 3 April, 2013.

ATHLETICS SEASON

Thursday 21 March and Friday 22 March we will be practising field events in preparation for our Athletics Carnival. If students could bring a pair of joggers on Thursday, and sports uniform as per normal Friday, for this event.

Also it’s a good idea for girls to wear short bike pants under their dresses. As usual our field events carnival is held on a separate day to our running carnival.

Field Events Carnival are Thursday 28 March 2013 at school. Students that make it through the culling process will be informed and compete on this day.

Track Athletics Carnival is at Hudson Park on Wednesday 3 April 2013 where everyone is able to enter events. Any helpers for this day would be greatly appreciated. If you are able to help could you please leave your name and number at the front office. You don’t need to have skills in athletics, it’s easy!
