Seven of our students participated in a drumming workshop today at the Goulburn Conservatorium. The boys from years 4 and 5 have been enthusiastic participants in the Braddy Crew over the last two years. Here are Dylan, Cody and Jack having a great time. We aim to add another element to our boys performing arts program through drumming.
FROM THE PRINCIPAL’S DESK

Congratulations to Mrs Patatoukos and Mr Unicomb on their appointments to Bradfordville Public School. Through a merit selection process, Mr Unicomb was appointed as classroom teacher and Mrs Patatoukos was appointed as Assistant Principal. We are lucky to have them both.

I have already started working on what our school’s structure will look like in 2015. To help me do this, I need to know if any students, other than year 6, will not be attending Bradfordville PS in 2015. If so, could you please fill in and return the slip in this newsletter to aid in our planning.

I would like to take this opportunity to commend the P&C on their hard work and commitment to our school. If you are able to help out at the Bunnings BBQ fundraiser, please return the slip sent out last week, or just ring the school office with your details and times you could help. If not, come up and support the school by buying a sausage!

For those parents of students in Years 2, 3 and 4, there are still places available for the Special Swimming Scheme. If there are still places next week, it will be opened up to senior students. As teachers are not on duty until 8.45 am, there is no supervision until then. Please ensure that your child is not arriving at school before then. Special provision is made for those students on the early bus. Please help us to ensure your child’s safety by adhering to the time stated.

In the afternoons, please ensure your child knows how they are getting home. We are getting more frequent situations where students aren’t sure whether they are catching a bus, walking or being picked up. We cannot hold up buses whilst we ring and check. This is really important as some children become easily distressed. Although we supervise bus lines, we do not know of every child’s circumstance each day.

Another concern we have been having of late is parents not answering phones when we call. The school’s numbers are 4822 3560 and 4821 4936. I would suggest you put these in your mobile phones with the school name so that when we call, you are aware it is the school calling about your child. There is nothing more distressing to a child when they are sick or not collected after school than knowing we can’t contact anyone. Thank you for your ongoing support for our school.

Mr Patatoukos

Check page 2 of your new menu for details of the "Go Green for Spring" promotion. If your child purchases or orders any green menu items they will receive a ticket in the major prize draw of a canteen catered lunch for themselves and 4 friends. Last week’s winner of the canteen voucher was Madison Croker of 3W. Another voucher will be drawn this Friday.
