FROM THE PRINCIPAL'S DESK
We are into sport at the moment in a big way! Congratulations to Dylan Gray, Cody McCallum and Jyi Little on their selection in the Goulburn/Crookwell District rugby league teams. In April, they will be playing for a spot in the zone team to contest the regional trials. Soccer trials will be held this Thursday due to the washout of the original date last week.
On Thursday, we will also be holding our field events finals at school. The following Thursday, 27 March, we will hold our athletics carnival track events and then the K-2 students will return for their novelty carnival back at school. Before the end of term, we will also hold our cross country carnival at Wollondilly.

In a departure from what we normally do, we will be having our school photos taken on 27 May this year. This means that photos won’t clash with various other events and collection of money. Although this will impact slightly on some group photos, these can be taken at a later date.

Thank you to all the families who have sent in their stationary contribution. This pays for the various items, including home reading diaries for K-2, which we use daily. Invoices will be sent home to those families who are yet to pay the $10 contribution.

With this newsletter, you will receive a purchase slip for bouncy balls to support Stewart House. Stewart House supports students from NSW public schools by providing a number of experiences over a two week period which many of us take for granted. It is funded by donations by teachers from their pay, as well as fundraising by schools. The balls are $3 each and funds will go straight to Stewart House.

Thank you to everyone who has sent back their updated details to support our 2015 funding. We have had a great response. If you still have the orange survey at home, please complete and send back ASAP.

**2014 PREMIER’S READING CHALLENGE**

Welcome to the Premier’s Reading Challenge!

The challenge aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature.

It is not a competition, but a challenge to each student to read, read more and to read more widely.

All students from Kindergarten to Year 6 are encouraged to participate in the reading challenge. Parents are asked to encourage their child to read, and also assist with logging in books that are read.

For more information, please contact Mrs Smith.
