FROM THE PRINCIPAL’S DESK

It was great to see so many students attend the disco on Friday night. The Easter Bunny made a guest appearance and was a big hit, especially dancing the Macarena! Many thanks to all the parents who came along to help with preparing the food and supervising the students and to all the teachers who came along to help out. The disco could not have happened though, without the SRC students and Mrs Scott and Miss Waibel. A great night was had by all!

We were extremely lucky to have completed our athletics track carnival yesterday. We will finalise the event this week with a few senior students still to complete some of the field events. A big thank you to the Goulburn Tennis Academy who ran a tennis activity during the K-2 activities.

The district athletics carnival will be held next term on Thursday, 8 May, 2014. Next Wednesday, we will run our school Cross Country at Wollondilly and on Friday, we will be holding the Easter Hat Parade and Egg Hunt. A busy week!

Our school’s annual report has been completed and will be on the website soon. I encourage you to have a look to see some of the great things we have done over the last year.

On Friday, 25 April, our school will participate in the ANZAC Day march in Goulburn. A note with information will come home this week. This will be held on the last Friday of the school holidays, but I hope that we can have a good roll up of students to support this event. Students will need to wear full winter uniform.

Staff will supervise students during the march, but all students are to be collected at the conclusion of the march and before the ceremony begins in the park.

HEAD LICE ALERT

When children are working together in the confines of a classroom, their hair often comes into contact with that of others. This is one way that lice are transmitted from one child to another. The following extract comes directly from the Department of Education’s web site:—

“Chemical solutions for head lice can be bought from your local pharmacy and you may have to treat bedclothes, hair brushes and combs as well as your child’s hair. It may be a good idea to treat other members of the family as well.

Managing head lice is an ongoing challenge for parents/caregivers and school communities. Advice from NSW Health indicates that resistance to head lice treatments appears to be increasing. This means that some children may undergo treatment with anti-lice lotions or shampoo and still have head lice. Weekly combing with a fine tooth comb using white conditioner is a recommended strategy when other treatments have not worked.”

As a health measure could you please check your child’s hair and treat if necessary. Your child need not stay home from school once treatment for the problem has begun. We recommend that you speak to a pharmacist about the best way to treat your child’s hair.
