Next week, students in Years 3 and 5 will sit the NAPLAN series of tests. These tests will be done nationally. For our school, it will inform us of areas of strength and weakness, as well as informing us of growth between Years 3 and 5. Individual student reports will be provided at the end of term 3. If a student is away on any of the test days, they can do a catch up when they return. All catch up tests will be completed by Friday, 16 May.

Today, students were told that they won’t need to wear hats to play in the sun during the colder months. If your child is wearing a beanie, please ensure that it is a plain black beanie. Good quality beanies with the school emblem are available from the canteen for $5.00.

On 6 June, our school will be hosting the NRMA Road Safety and Science day. This day will include science activities and road safety lessons for all students, as well as a parent session. Only one school was selected from each region to host this day. The event is free and will be of great benefit to all our children. More details will be provided next week.

Although it is early in the term, teaching staff have been working with the semester one report format. We plan to send out reports on Monday, 23 June with interviews on Wednesday, 25 June. Please put these dates in your diary!
