This week’s Value is .......... Cooperation
FROM THE PRINCIPAL’S DESK

On Monday, I had the pleasure of accompanying our student leaders to the GRIP Leadership Conference in Canberra. A group of 120 students from Goulburn attended this fabulous day. A short account of the day, written by Kaelah and Jessika, can be found in this newsletter.

Last week, we had the situation where a child’s after school arrangements were changed. The child did not find their parent in the usual spot and kept walking along looking for them. When teachers checked for any uncollected students, there was no one in sight. Please ensure that your child is aware of their after school arrangements. If things change, especially for very young students, please let the school know so that we can ensure collection goes smoothly. Also, continue to reinforce that if no one is there to collect them, then they should come back to a teacher.

Yesterday, The School Photographer was on site taking our class and school photos. For those people who have not yet paid, you can do so by going online direct to the photographers or by calling them. Details are provided elsewhere in this newsletter.

Our students will be involved in a number of gala days in the next few weeks in boys’ and girls’ football (soccer), girls’ hockey and rugby league. Rehearsals are also underway for choir and dance groups to perform at the Goulburn Community of Schools concerts in late July.

Last week, a note was sent out requesting support with a letterbox drop of our Kindergarten 2015 information. If you are able to help out, no matter how small the area, it would be greatly appreciated.

Next week, we are fortunate to be holding the NRMA Science and Road Safety day. It would be wonderful if we had a number of parents come to the parent session in the afternoon. Our normal assembly will not be held over on this day, but will be held on a later date.

Mr Patatoukos

STUDENTS OF THE WEEK

Week 4, Term 2

KP  Kiana Cole
Junior Kolio

KS  Benjamin Williams

1B  Taj Yeadon
Amber Fazakerley

1R  Nate Faulkner-Simpson

GRIP LEADERSHIP CONFERENCE REPORT

On Monday, the school leaders drove down to the AIS in Canberra for the GRIP Leadership Conference. The hosts, Andy, Mason, Jen, Rachael and Freya made it lots of fun. We met people from schools all over our district. One fun thing we did was talk to other leaders, by raising our hand and hi-five anyone coming past, then we were locked in. We had to introduce ourselves and share our answers. We had a dance party during Andy and Mason’s ‘Loud Noises’ session. We all had a fantastic day!!
Jessika Chapman and Kaelah Cave

SCHOOL PHOTOS

Late orders for school photos will be accepted online by The School Photographer. Visit the website at www.theschoolphotographer.com.au or telephone 02 9674 9824 to place your order.

NRMA SCIENCE AND ROAD SAFETY DAY
6 JUNE 2014

The program is a whole day event involving every student in the school.

A trained science professional will visit Bradfordville and deliver three interactive science shows for Stages 1, 2 & 3.

The shows explore the forces acting on humans in cars and on bikes and will demonstrate how helmets and seatbelts keep humans safe.

If students own a bike helmet they are encouraged to bring it to school on the day with their name clearly marked on the inside. Students are also encouraged to decorate their helmet before bringing it to school.

Parents play a vital road in keeping their children safe and so we would like to invite you to a workshop.

Parent Workshop: 2:40pm in the hall.
