FROM THE PRINCIPAL’S DESK

On Friday, we will be hosting the NRMA Science and Road Safety Day. I encourage you to attend the parent session after lunch. This day comes highly recommended and we are extremely fortunate to have been offered this opportunity. Students are encouraged to bring decorated bike helmets clearly labelled with their names.

As we are now in the second half of the term, teachers are in the process of finalising reports. Please remember that these reports are a snapshot of your child at this point of time and the examples given are a small sample of what your child has been exposed to so far. Please take up the opportunity of an interview with your child’s teacher on Wednesday, 25 June, 2014. Notes regarding this will be sent out soon.

Now that winter is upon us, we are collecting red jumpers with either no name, or that of an ex-student at an alarming rate! Please ensure that your child’s clothing is labelled, on the collar, with their name.

Congratulations to Cody Ashburner who represented South Coast Regional at the recent State Football Championships. Cody has been selected as a shadow player for the state squad, a great achievement!

NRMA SCIENCE AND ROAD SAFETY DAY
6 JUNE 2014

The program is a whole day event involving every student in the school.

A trained science professional will visit Bradfordville and deliver three interactive science shows for Stages 1, 2 & 3.

The shows explore the forces acting on humans in cars and on bikes and will demonstrate how helmets and seatbelts keep humans safe.

If students own a bike helmet they are encouraged to bring it to school on the day with their name clearly marked on the inside. Students are also encouraged to decorate their helmet before bringing it to school.

Parents play a vital role in keeping their children safe and so we would like to invite you to a workshop.

Parent Workshop: 2:40pm in the hall.
PRODUCTS AND SERVICES
1R and 1/2G have been busy buying and selling groceries in our new shop. We have been practising using money and working out the cost of goods that we need. We have also been writing and posting letters to each other in our Post Office. Receiving letters from a pen friend is very exciting!
Your family friendly club with children's meals and play area 7 days a week.
