GCOPS Concert Practice with Mrs Cribb

This week’s Value is …………

Integration
FROM THE PRINCIPAL’S DESK

Our school photos arrived well before expected and they have been distributed. Extra photos can be ordered directly through the company. Students who had extra group photos taken will receive a note regarding ordering of these photos.

In preparation for new computer and management systems to be implemented next year, I will be undertaking training on Friday with Mrs Charnock. This will be a regular occurrence over the next few months as we prepare our data to be transferred over. It may be that to support this, you will receive requests from us for updated details. One area that has been upgraded is the area of medical and health conditions.

With student health, we must have a health plan and appropriate medication for all students on site. This is a Department of Education requirement to meet the expectations of the Work Health and Safety legislation. For example, all students who suffer from anaphylaxis, must have an Epipen kept at the school, which is then entered into the management system. This enables the school to be compliant with the legislation. Families who do not meet this expectation will receive a letter asking them to do so. This is also the case with students who may suffer from asthma. Above all else, our aim is to provide a safe environment for all students.

A number of students are involved in the Music Stars program which began yesterday and will continue after school on Tuesdays in the hall. This is an external music group who are hiring our facilities. Any issues or concerns need to be directed to them.

Next week is Education Week. Events for the week include Kindergarten performing at Centro, Our choir and dance groups at the GCOPS concert and Open Day on Thursday. I hope that everyone can attend one of these events.

Mr Patatoukos

LETTERBOX DROP
Thank you to the parents who have helped with our letterbox drop.

The following streets still need brochures dropped off: Benlin Court, Komungla Crescent, Malvern Road, Middle Arm Road, Racecourse Drive, Willowgrove Place, Wollondilly Avenue and in Monastery Gardens - Barry Crescent, Cahill Place, Carroll Place, McGuire Drive, Monastery Drive and Wright Place.

If you can help to distribute brochures please contact the school office.
