To promote a love of learning in a safe and caring environment that encourages the pursuit of excellence
FROM THE PRINCIPAL’S DESK

Today, saw our students in dance and choir groups rehearsing at the Goulburn Workers Club for the concert this evening. Seventy three students will perform this evening in what promises to be a great concert. If you have not yet got tickets, they can be purchased at the door.

We try to ensure that parents are notified when their child is receiving a Student of the Week award at assembly so that they can be in attendance. We are now expanding this notification to our red ribbon awardees. To be eligible to receive the red ribbon at the next assembly, the achievement awards must be in to the school by the Monday before assembly. This will then allow for processing of the awards and a note to be sent home with a couple of days’ notice. If you do not receive a note confirming the presentation of the red ribbon, then it will not be awarded at the next assembly as it was too late to be processed. If in doubt, please call the school office. The next two assemblies will be on 8 and 22 August.

The first of our Kindergarten Orientation sessions will be held on Wednesday, 27 August from 11.45 am. If you know of anyone who has still not applied for enrolment, please encourage them to do so ASAP. We are expecting to have at least two kindergarten classes in 2015.

From next week, we will be rehearsing in earnest for Braddy on Stage which will be held on Wednesday, 13 August. On the night, we will also be holding a raffle and auction. All funds raised will go to supporting our creative and performing arts program. Whilst on the performing arts, it was wonderful to see public school product, Anja Nissen win the Voice on Channel 9. Anja is a product of Winmalee High School and has performed at the Schools Spectacular as a featured singer for the last four years. Our students performed with Anja at the Schools Spectacular in 2011.

Recently, all parents whose children are enrolled for Mulwaree High School in 2015 were sent information regarding the Workshop Day planned for Friday, 22 August, 2014. This date has now been changed to Thursday, 21 August as it clashed with the Regional Athletics Carnival. All other details remain the same.

I hope to see a large number of you at the P&C meeting next Tuesday night.
