Aboriginal Education Consultative Group (AECG) partnership agreement with the Goulburn Community of Public Schools (GCOPS)

On Monday, Mr Patatoukos and Jyi Little attended a ceremony at Goulburn North Public School which formalised an agreement between the GCOPS and the Upper South Coast AECG. This agreement is aimed at working together to support the learning achievements of Aboriginal students.
FROM THE PRINCIPAL’S DESK
What a fantastic night it was last Wednesday at the Goulburn Workers Club. It had a real Bradfordville flavour with Mrs Cribb conducting and Ms Powles playing the piano and managing the event. All the items in which our students performed, as well as the choir, can be seen at Braddy on Stage, Wednesday 13 August, 2014. There will be a dress rehearsal/matinee as well as the evening performance. See the back page for more information.

Last week, as part of Education Week, our school was part of a Goulburn Community of Schools display at Centro and our kindergarten students were part of a spread in the Goulburn Post. There are ads also being played on 2GN and Eagle FM for the Goulburn Community of Public Schools. As the ad says, Excellence, Innovation, Opportunity, Success!

We are looking forward to a large Kindergarten intake in 2015. If you are yet to enrol your child, or know of someone who is in our drawing area, but as yet has not enrolled their child, please contact the school ASAP. Our first orientation session is on Wednesday, 27 August.

Yesterday, all students received their Fitnessathon package containing raffle tickets and sponsorship form. Extra tickets can be accessed from the office. To send money and tickets to school, please use the cliplock bag provided and it will be returned to you. Funds raised will go towards the purchase of a multipurpose building which will be managed by the P & C.

We are currently in the midst of a stomach bug which is affecting many of our students. This week, we have sent a number of students home. Please support us by collecting students as soon as possible after a call to you. We don’t have the facilities or staff to manage sick children for any length of time. Once you come to the office to collect your child, you will need to go to their classroom and gather all their belongings and give their class teacher the leave slip. On rare occasions when an injury or illness is severe, their belongings will be with them to the office.

During the week, beginning 18 August, we will be holding a book fair in the library to coincide with Book Week. Lots of great books will be available for sale at great prices. Please take the opportunity to visit and look at the great deals.

**FITNESSATHON**

18 September 2014
11.30am

Fitnessathon packages, containing a sponsorship form and a book of raffle tickets, were sent home with each student yesterday.

While we encourage your child to collect as many sponsors as possible, Bradfordville Public School does not encourage door to door canvassing for sponsors from people your child does not know. Please discuss with your child the importance of limiting their approaches to people who are well known to them i.e family, friends, neighbours.

We request that sponsorship money be forwarded to the school by Monday 15 September.
