PUBLIC SPEAKING

Congratulations to Sophie Sanders who competed in the Rostrum Public Speaking and Molly de Cseuz who won the public speaking at the Eisteddfod in her division. Well done girls!

This week’s Value is …………

FROM THE PRINCIPAL’S DESK

We are now in full Fitnessathon mode which will peak tomorrow. We will begin activities with the students at around 11.30 am and are aiming for lunch, (a free sausage sizzle and drink for all students) at about 12.30 pm. We will begin our awards and raffle session at about 1.30 pm. We have great prizes for all the top fundraisers in each class, as well as heaps of fantastic raffle prizes. Our showbags, for all those students who have contributed financially to the Fitnessathon, are bulging with goodies! It should be another great day!

I would like to congratulate Molly de Cseuz and Sophie Sanders on their public speaking achievements. Molly won her section of the Goulburn Eisteddfod yesterday whilst Sophie competed in the Rostrum Public Speaking competition against representatives from all other schools in Goulburn.

Early next term, I will be sending home information regarding the Department of Education’s Learn to Swim program. We will be targeting non and poor swimmers from Years two and three. If any places are left, they will be offered to older students. This program consists of free lessons for students with the only cost being bus fare and pool entry.

Please ensure that you are not sending your child to school before there is supervision. Teachers are on duty at 8.45 am. Please support us in ensuring the well being of your child.

For those students who attend our Breakfast Club, our first breakfast will be on Thursday, 9 October, then each Tuesday and Thursday thereafter. I would like to thank the students from Mulwaree High School and parishioners from St Nicholas’Church for their ongoing support.

PEER SUPPORT

The Peer Support program concluded this week. The issue of bullying is just one of a much broader range of issues that contribute to how safe children feel at school and whether our school represents a positive experience for them. This week, children have the opportunity to reflect on what a positive school looks like and
how they can play a role in creating and maintaining a positive school environment.

Children have the opportunity to practise some of the things they have learnt over the past seven weeks, including what bullying is and what they can do about it. The children will be encouraged to realise that sometimes it can take a while to see that the change is taking place, so they must persevere with their new skills.

The re-usable lunch bags have been selling well and I am currently out of pink and blue. Colours available at the moment are red, green and purple. Another order will be placed sometime next term.

A big thank you to the parents who have volunteered to help out in the canteen preparing the lunches for the fitnessathon tomorrow.
