FITNESSATHON IS ONLY 1 WEEK AWAY!!!!

This week’s Value is ………..

Respect
FROM THE PRINCIPAL'S DESK

Our major fundraiser for the year, the Fitnessathon, will be held next Thursday week. We are starting to receive sponsorship forms, money and raffle tickets, but there are lots more out there. Please ensure that everything is sent in by early next week. Some of the great prizes include a Raiders signed jersey, $200 in fuel, dinner vouchers at various restaurants and go kart passes. All students who contribute to the fundraising will receive a showbag filled with goodies and everyone will receive a free sausage sizzle and drink. The highest raising K-2 and 3-6 classes will also get a pizza party! If you are able to help on the day, Mrs Chapman will need lots of helpers to prepare the sausage sizzle for all the students. If you are planning on attending, there is also a lunch order sheet included with this newsletter.

Today we held our second kindergarten orientation session. It was very well attended and we are looking at a large enrolment for next year. If you are aware of any child that has not been enrolled, please ask their parents to contact the school immediately.

If your child is in the primary and is attending one of the school camps, you will have received an invoice recently. Please ensure that all money is paid by the due date as we have to confirm numbers with payment before the excursions. Unless prior arrangements are made with me, any student whose payment is not complete, cannot attend the camps.

Our primary students have had an incredibly busy sporting term, with sports activities and a number of gala days and yesterday, the SPACExpo. Next term, we will be sending home information regarding the Special Swimming Scheme. These lessons, for poor and non-swimmers, are free. The only cost is for the bus and pool entry over the two weeks of the lessons. As in previous years, priority will be for students in years two and three. If places are available, they will be offered to students in years four, five and six.

Assembly this week will be hosted by KP. This will be our final assembly for the term. All students who are receiving class awards and red ribbons will have received a letter informing you of this. The assembly will begin at 11.40 am. Thank you for all your support over a very busy but extremely enjoyable term. I look forward to that continuing next week with the Fitnessathon and into next term.
