This week’s value is: Fairness
and a Jazz band. We would present a selection of popular and classical works that are short in length that the children will enjoy. The girls at SGHS are certainly looking forward to being able to interact with regional students. Hopefully we can plan another future interaction where some of your students can play with ours in an interactive workshop. A fantastic opportunity which we look forward to!

FROM THE PRINCIPAL’S DESK

Last night I had the pleasure of attending the Opera House to see our choir perform as part of the massed choir in the Argyle concert of the department of Education Choral Concert series. This followed a rehearsal during the day. Many thanks to Mrs Beer, Mrs Cunningham and Mr Divall for transporting and managing the students over such a long day!

Our Learn to Swim classes started this week and is fully subscribed with 60 students attending. The students leave school at 9.15 am each morning and return by 10.45 am.

We are now starting our organisation for next year. If you know that your child won’t be at Bradfordville PS in 2016 (other than current Year 6 students), can you please fill in the slip included in the newsletter, or contact the school office.

Today, members of the executive and I have met with Murray Campbell, Principal School Liaison Officer, who will support us through the External validation pilot. All schools in NSW will need to undergo an external validation of our programs and processes every five years. This pilot will be conducted over the next few weeks and will inform the process when it is implemented in 2016.

Next Wednesday, our school will be visited by the Sydney Girls High School travelling orchestras. They will perform a free concert in the afternoon on their way back to Sydney. This is a short excerpt from an email sent to me by their teacher:

With the warmer weather a lot of children have been ordering cool treats with their lunches and are forgetting to come to the canteen to pick these items up. The following items can be ordered but are not sent to the classrooms with the lunch orders – frozen yoghurt, ice-cream cups/mud buckets, moosies, paddle-pops, icy poles, zooper doopers, zings, jiggly jelly, custard or jelly cups. If your child is ordering one of these items they need to join the canteen line at the 1st half of lunch to pick their extras up.

The winner of last's week voucher in the “Go Green” competition was Madison Croker of 4/5M.

This week’s recess special
Cheese toasties (half sandwich) - $1.20 or combine with any drink from the 2 for $2 tray.
