POINT WOLSTONCROFT EXCURSION

One of the many fantastic activities the students experience at camp!
FROM THE PRINCIPAL’S DESK

Last Wednesday we had the pleasure of hosting the Sydney Girls High School musicians who performed a number of pieces from their various bands and ensembles, supported by their outstanding choir. They have offered to return again in 2016 to not only perform, but to run some workshops with some of our students. Photos from the performance are included.

Our school is currently working towards completing a submission as part of the external validation pilot. From next year, all schools will undergo the validation every five years. I will be presenting our submission at the next P&C meeting in early December.

On Wednesday, 2 December, we will be holding our Evening of Excellence. Students who will be performing and/or receiving awards will be notified so that they and their families can attend. The evening will be hosted by our House Captains.

Presentation Day will be held on Thursday, 10 December from 12.00 pm. Again, all students who will be receiving awards will be notified so that families can attend. More information on both these events shortly.

Finally, our students finished their Learn to Swim classes last week. The Swimming Supervisor made a point of contacting the school to comment on the outstanding behaviour and attitude of the students and the extremely helpful and cooperative nature of the teachers.
Congratulations and thank you to all!

**BULLE COURT RESEARCH PROJECT**

Bullecourt, is a village in Northern France that has a great significance with the Goulburn area. Two bloody battles were fought at Bullecourt and 20 local soldiers lost their lives in this foreign land. Students in Year 3-6 at Bradfordville Public School are investigating the lives of these men.

Friends of the Mulwaree Museum (FOMM) presented the opportunity for the students of Bradfordville to conduct a research based, historical inquiry project about these Goulburn soldiers. We are hoping that there may still be a local connection to these men and that we may find it.

Bradfordville students have also been in contact with students in Marquion, France. The French students are members of the Australia Club who are working on a commemoration project for the centenary of the Battle of Bullecourt. This cross-cultural educational experience gives students from both parts of the world the chance to share and exchange information about the Australian soldiers who died in the battles of Bullecourt.

If you have any information about any of the men listed below, please contact Bradfordville Public School on 48214936
