4th  $25.00 Myer Gift Voucher

$1.00 per ticket

DRAWN FRIDAY 11 DECEMBER 2015

This week’s value is:

Cooperation
FROM THE PRINCIPAL’S DESK
Tonight we will be holding our Evening of Excellence. This is predominantly for primary students who have excelled in the sporting and performance fields. Awards will also be given to a number of Year 6 students in the creative and performing arts and ICT. If your child is receiving an award, performing or hosting, they will have received a blue note. Only these students and their families need attend.

Next week, our Presentation Day assembly will commence at 12.00 pm on Thursday, 10 December. If your child is to receive an award, a letter will be sent home. All Kindergarten students will receive a certificate. Our 2016 leaders will be presented on this day.

I would like to take this opportunity to thank the many volunteers who support our school. These people help out in the canteen and in the classrooms as well as the many activities the P & C run. Without them, our school would not be the great place it is today. Many thanks and I hope we see you all again next year!

Mr Patatoukos

COLLECTION OF MEDICATION
For students who will not be returning to our school in 2016, could you please ensure that all medication is collected from the school office on their last day. This is especially important for students in Year 6.

Dance to the
Disco Beat!
It was another busy year with a full calendar of fundraising events. The proceeds from these events are still going towards a new building that can be utilised by the P&C, the school and the broader community. Our major fundraiser for the year was the Fitnessathon and we were able to raise a record total of just under $16,500 through sponsorship, the 5,000 plus raffle tickets that were sold and cash donations. A big thank you must go out those organisations and people who generously donated goods or services that enabled us to offer 95 prizes in our monster raffle. We also held our well patronised Mother’s Day & Father’s Day stalls and associated raffles that once again proved to be very popular. We look forward to our annual Christmas raffle that will be held next week.

In terms 1 and 4 we organised discos for the students in conjunction with the SRC. The discos are always a popular event with the kids and these were no exception. We also conducted two barbecue fundraisers in conjunction with the Rotary Club of Goulburn at their popular Parkside Markets. It was terrific to see many Braddy people drop in for breakfast or lunch and enjoy what the markets had to offer as well. The popular TBP pie drive made a welcome return at the end of term 2 and was once again well patronised. I am sure both of these will remain regular fundraisers in the future. We also had a tremendous response from our families to the Voluntary Contribution Scheme. Thank you to all of you who contributed.

A new event for this year was the hugely successful Farmers Markets held at the school on Election Day. There were numerous hours of preparation to ensure the success of the markets. From all reports, the stall holders were pleased with the day and can’t wait for the next opportunity to come back.

I would like to acknowledge the dedication and hard work of our Canteen Manager, Mrs Leonie Chapman and thank her for all she has done in 2015. The canteen catered for several conferences that were held at the school again this year and as a result it has upheld its reputation for quality food and service. A huge thank you also goes out to all the volunteers for your assistance in keeping the canteen operating this year. Without your help we would not have a canteen.

I would like to thank the many local businesses that have made donations to the school this year. Due to their generosity the students of “Braddy” were given some wonderful opportunities, so please support them in return. I also thank those people and families who have given up some of their time to coordinate and help out at our fundraising events. It has been fantastic to see some new faces at our monthly meetings this year as well as those who have been regular attendees over the past few years - thank you all for your interest and support.

Special thanks go to the terrific and dedicated school staff who have put their best foot forward to ensure our children have been given the every opportunity to reach their full potential. I would also like to thank the very hard working committee for their tremendous effort again this year.

On behalf of the Bradfordville Public School P&C I would like to take this opportunity to wish you all a very happy and safe Christmas and a prosperous new year and we look forward to seeing you all again in 2016.
