FROM THE PRINCIPAL’S DESK

Once again we have begun the year with great uncertainty regarding our class structure. The great positive amongst all this is that our enrolments are up by over 30 from the end of 2014, easily taking us over 10 classes, but now we are extremely borderline for 11 classes. Although we have formed 10 classes, if we get the numbers, we will form 11 classes. If you know anyone in the Bradfordville area who has been contemplating enrolling their child, please ask them to call the school now as this will help both them and us!

I am extremely pleased that the COLA refurbishment has almost been completed. Over the break, new seating was installed and the wetpour rubber compound was laid on the ground. It is now a fantastic space which is bright and colourful and gives the students lots of play options with handball, chess, hopscotch, netball and volleyball markings. Whirlybird extraction fans will be installed in the roof over the next few weeks.

Our Kindergarten students have made a great start to their schooling and they are gradually getting to know the routines. They are looking a bit tired at the end of the day, as are their teachers!

We are still waiting on paperwork for some of our new kindergarten students. If you have received a letter about this, please provide the information as soon as possible so that the enrolment process can be completed.

Our Eat, Meet and Greet barbeque will be held next Wednesday evening from 6.00 pm under the hall COLA. Please return the note with your attendance so that we can cater appropriately. This is an informal get-together for parents to meet their child’s teacher. I look forward to see a great turnout, as we have in previous years.

The swimming carnival yesterday was a great way for our primary students to start the year. The behaviour of all students was excellent and the effort by our swimmers is to be commended. Many thanks to the organisers, Mr Unicomb and Mr Scott, for the extra hours they put in coordinating the event. A big thank you also, to the students from Mulwaree High School and to the parents who acted as helpers on the day.

Thank you to everyone for supporting our safety procedures in the morning and afternoon when our students arrive and depart. Unfortunately, we have a few parents who have taken to using the car park as a thoroughfare. This is not a safe way to enter or exit the school. Please stay on the pedestrian pathways and ensure the safety of your child.

**Uniform Shop:**

The order of sports shirts that was due to arrive last week has been lost and our supplier is currently working to get another order ready for dispatch, hopefully by the end of this week.

Due to the demand for uniforms last week a number of items are now out of stock or running low. Orders have been placed for caps, white polo shirts and jumpers. This stock should arrive in the next couple of weeks. The wide brim surf hats are back in stock. I apologise for any inconvenience and will keep you informed as the stock arrives.

**Trial Year 6 Uniform:**

Shirts have arrived and I am expecting the black skorts by the end of this week. As advised in the last P & C newsletter for 2014 the skort and shirt will be trialled by Year 6 and will run concurrent with the existing dress and is not compulsory during the trial.
