FROM THE PRINCIPAL’S DESK

It was wonderful to finally reach the mark for 11 classes. With the extra staffing that this brings, it will help to free up all staff to provide many of the extracurricular activities in sport, music and the performing arts. I expect that we will have our structure in place by next Monday, although I am still negotiating the appointment with our staffing unit.

I hope postponing our Meet and Greet did not inconvenience anyone. It was necessary as with the new class structure, we have had to make a multitude of changes. The date of the Meet and Greet will be communicated to you ASAP.

We have already had contact with the Road Safety Officer from council regarding the congestion at the front of the school. There will be some minor changes made which will make it safer for our students. This includes a No Stopping Zone and extra signage. Please look for these changes as we don’t want anyone to get booked!

Thank you to everyone who has sent back the stationary contribution and permission notes for publication and library which were sent home last week. We need these back ASAP so that normal programs can begin.

Today I met with Mr Purcell, the Principal of Mulwaree High School. He commented to me on how well the Year 7 students from Bradfordville have settled in and are taking to life in high school! Whilst on Mulwaree, today, six students from Year 11 have started working with our K-2 classes, supporting the teachers. Each Thursday, they will attend our school as part of the MAP (Mulwaree Alternate Program).

ONLINE SCHOOL SURVEY
This year, our school will develop and implement a new three-year management plan. This plan is the centerpiece for the running of the school.
The initial stage of the constriction of the school plan, is to ask the school community to identify what they feel is important in relation to Bradfordville Public School.

We have designed an online survey of only four questions. The survey is located at the address below and can be accessed via computer, tablet or smartphone. Please take a few minutes to complete this important survey.
