FROM THE PRINCIPAL’S DESK

Over the last two weeks, our K-3 teachers have completed the first two sessions (five hours) of TEN training. This is a program which supports the teaching of maths. Mrs Scott and Mrs Patatoukos have become accredited trainers and are also supporting teachers from Goulburn East and Marulan. This training occurs after school and will be ongoing for the year.

Next week, Mr Scott and Mr Warren will attend a two day workshop to become trainers for the Focus on Reading program which will be implemented in Years 3-6. Again, the training for staff will occur outside of school hours. We are extremely fortunate to have such a committed and professional staff who are willing to undertake new initiatives to enhance the learning of our students.

Congratulations to all our swimmers who attended the District Swimming Carnival. There were many great results, highlighted by Isaac Mills winning the 11 years boys freestyle and finishing third in the breaststroke, the Senior Boys Relay Team of Dylan Gary, Jack Handley, Cody McCallum and Isaac Mills who came second and the Junior Girls Relay Team of Maddison Croker, Georgia O’Connor, Georgia McIntyre and Bella Fox who came third.

We will shortly begin our preparations for our Athletics Carnival which will be held on Monday, 23 March at Hudson Park. This will include all students K-6, with our K-2 students coming back to school at recess to complete their carnival. 3-6 students will complete the field events at school. They will be especially keen to use the recently refurbished long jump pit!

I would like to thank all those parents who assist us in the afternoons to make the exit from school a smooth one. Please organise with your child to be collected outside the school gates. We still have a small number of parents who come in to collect their child from our exit lines before the last bell goes. Part of what we do is to build independence as well as ensuring we have all students ready to leave.

When parking your vehicle, please ensure that you have abided by the parking restrictions. If you see a vehicle being driven in a dangerous or careless manner, you are well within your rights to contact the police and let them know of your concerns. Although we regularly are in contact with the police about patrolling in the morning and afternoon, the school has no authority when it comes to what people do on our roads.

I look forward to seeing you tonight at the Meet and Greet.

Mr Patatoukos

SOUTHERN TABLELANDS FOOTBALL ASSOCIATION
REGISTRATION DAY
Friday 27 February 2015
5pm to 7pm
Grace Milson Centre at Goulburn Showground

With the increased numbers at the school the canteen has been busier, especially on Fridays. I am therefore looking for some more volunteers for Wednesdays and Thursdays and someone to come in on Fridays from around 11.30am to 1.30pm to help with the lunch preparation and rush. Please let me know if you are able to help out in anyway.

This Friday is the last day for entries in this month’s prize puzzle. There will be 2 vouchers drawn for a paddle-pop or moosie. Please place entries in the red lunch order box by Friday.

If your child has a re-usable lunch order bag please remember to update the name tag to show their new class. You can print and customise your free name tags and order slips from the Stickybeaks website at www.stickybeaks.com.au
