FROM THE PRINCIPAL’S DESK

Today saw the start of our performing arts program, with 40 students participating in the first rehearsal of the Goulburn Community of Public Schools Massed Choir. Over 200 students from Goulburn schools participated in the rehearsal in our school hall today. Over the next few weeks, students will have the opportunity to be part of dance drumming and instrumental groups. We will also be implementing the UPBEAT program across all classes, K-6.

All year 6 students will have the opportunity to participate in the GRIP Leadership Conference in Goulburn on 25 March. We have attended in Canberra over the last two years, but this year, we have managed to organise to have the conference held here. This means that it will be at a much reduced price and available to all our Year 6 students as they all have leadership roles.

For primary students, we are now finalising costs regarding our school camps in November. Information around this will go home shortly.

We are still awaiting Permission to Publish paperwork for a number of students. Please ensure that this is returned ASAP.

Mr Patatoukos

THE MUNCHBOX

Thur Mar 5  L Chapman
            P Fazakerley
            K McCarthy

Fri Mar 6   L Chapman

(11.30am-1.45pm)

The winners of the vouchers for a paddle-pop or moosie were Sienna Gerstenberg & Breana Evans-Hall. The March edition of Munchbox News will be out shortly, this month’s puzzle prize will be a voucher for a Wacky Wednesday meal deal.

**Uniform Update:**
Sports shirts – I have been advised by the supplier that we should receive our order next week. Caps are now back in stock.
All items that have been paid for will be sent home with your child as soon as possible. Once again I apologise for the inconvenience with these delays.

**Red Day - Donuts:**
Thursday 19 March – a pre-order form accompanies this newsletter.

Mrs Chapman

**ATHLETICS CARNIVAL FIELD EVENTS**
YEARS 3 TO 6

Qualifying rounds for the athletics carnival field events will be held on Thursday and Friday 5 and 6 March and also Thursday and Friday 12 and 13 March at the school.
All students in year 3–6 are required to wear sports uniform on these days.

Mr Scott
For a full list of all penalties and offences, please visit [www.rms.nsw.gov.au](http://www.rms.nsw.gov.au)

Fines subject to change without notice. These penalties apply to offences in school zones only while the zone is active.

Family Holidays and Travel:
From the beginning of 2015, families can no longer apply for an exemption from school for family holidays and travel. Parents/carers are asked to consult with the school about travel during term time and complete an Application for Extended Leave-Travel. This application must be completed before departure for travel. If the application is approved you will be provided with a Certificate of Leave-Travel. An application form can be collected from the school.

Application for Exemption From School:
Parents/carers may still apply for exemption from school attendance due to exceptional circumstances e.g health of child, employment in the entertainment industry and in participation in elite arts or sporting events. An exemption form can be collected from the school office.
ADMINISTRATION OF MEDICATION TO STUDENTS

Only prescribed medication can be administered to children at school. If your child needs to take prescribed medication during school hours, a Request For Support of a Student’s Health Condition must be completed at the school office before your child will be given the medication. The medication must also be provided at this time.

Medical conditions requiring a plan, such as asthma, anaphylaxis, diabetes, allergies etc must have the plan provided at the time Request for Administration of Medication is made.

Medications must be stored in a secure location, the sick bay, unless written permission is given by the Principal.

The medication must be provided in the container / packet it was dispensed in and is clearly labelled with your child’s name, dosage and doctor’s details.

Please inform the school straight away if your child’s health condition or medication changes.

Your role as parents is to:
• cooperate with the school on student health matters
• support their child’s health
• inform the school of the health needs of the child when they enrol or when health conditions develop or change
• liaise with the child’s medical practitioner about the implications of the child’s health condition for their schooling
• where medication is prescribed, ask the medical practitioner whether the medication is available in a form which minimises or eliminates the need to provide the medication during the school day
• convey all relevant advice and information from the medical practitioner to the school
• complete a written request form (supplied by the school) for the school to administer prescribed medication or for other support
• provide prescribed medication and ‘consumables’ for administration by the school in a timely way
• collaborate with the school in planning to support the child’s health needs at school including updating information and reviewing plans.

More information is available on the NSW Public Schools website:
