This week will see the start of training in the Language, Literacy, Learning (L3) program, which is in place throughout K-2. All teachers in training participate in 10 half day workshops in their first year. In following years, they attend one workshop per term as ongoing training.
Starting in semester 2, primary teachers will begin training in the Focus on Reading program.
Two of our teachers are currently undergoing training and will then become our school trainers. These are wonderful programs and do make a difference in student learning.
We are still having issues with people stopping in the No Stopping zone outside the school. If you see someone driving dangerously, you are well within your rights to contact the police with their registration details. As a school, we have no jurisdiction in this area.
Thank you to the P & C and SRC for a great disco last Friday. It was a big roll up and the behaviour was excellent. Many thanks also to the teaching staff who turned up to provide supervision for the students.
Our choir has been selected to perform at the Opera House on 27 October, 2015. 23 students, along with Mrs Beer, will participate in this event along with hundreds of other students from around NSW. This is part of the DEC’s Festival of Music program.
Finally, I would like to make mention of Mr Neil Wardle, the Deputy Principal at Mulwaree High School. Neil officially retired last week after many years at the school. Along with his wife Robyn, Neil was also a driving force behind the Bradfordville P & C whilst their children were here. Congratulations on a brilliant career and for the support you have given Bradfordville students over the years.

Extra volunteers are required for tomorrow and next Wednesday as the canteen is catering for meetings.
A number of children have been forgetting to collect ice blocks, jelly, ice-cream, moosies etc. that they have ordered with their lunch. If your child has ordered these items they must come and collect them from the canteen as they are not delivered to the classrooms with the lunch orders.

Uniforms:
There are now a couple of dresses in sizes 14 and 16 in stock if anyone requires them. Caps are also back in stock.

Red Day Thursday 19 March:
This Friday is the last day for orders for donuts. Please place order form and money in red lunch order box.

P & C DISCO

Last Friday Bradfordville held two discos for Years K-2 and Years 3-6. The first disco was for Years K-2. It was good to see lots of students at the disco enjoying the music and dancing. They played lots of games like Dance Off and Just Dance on the Wii.

The second disco was for Years 3-6. They danced to the Macarena and The Nutbush as well as lots of popular music. The best part of the disco was the dance off between two groups of students led by Mrs Ralph and Miss Sprigg. Just Dance was a big hit once again.

We were treated with a pizza dinner at both discos which was delicious! Thank you to our wonderful DJ Mr Unicomb, Mrs Scott and the SRC and the P&C for organising the discos and also to all staff that helped out on the night.

NB: See insert for all the fun!

BPS VALUES

Each week at Bradfordville we focus on a particular value for the week. This value is discussed and promoted in classrooms and at lines. Students who display our school values are rewarded with a pink slip (below). When your child has three pink slips, they need to hand them to their class teacher so they can receive a blue Achievement Award.

The value of the week will be displayed on the front of our newsletters. We encourage you to take the time to discuss the value of the week at home with your child.
