This week’s value is: Respect
FROM THE PRINCIPAL’S DESK

Thank you to all those students and their families who attended the ANZAC Day march last Saturday. It was a wonderful occasion and was by far the biggest march our school has been part of. We had 120 students attend, double the usual number. I would also like to thank the large number of staff who attended to supervise the students. Some photos of the march are included as the insert.

Parents of students in Years 3 and 5 will have received an information letter regarding the NAPLAN testing which will take place on May 12, 13 and 14. Unless your child is sick, they should attend all three days. Although three days are scheduled, the students are only participating in testing for up to two hours, spread over the day. For those students who are absent, Friday is scheduled as a make-up day. Although results have not been available until September in the past, we have been assured by the Board of Studies, Teaching and Educational Standards (BOSTES), that results will be returned much quicker this year.

Our new classroom is now occupied and functional. Last Friday, we installed a new touch screen television, which now supersedes our interactive whiteboards and projectors. The new furniture is being delivered tomorrow and should be installed by the afternoon.

Our P & C have put together a fantastic raffle for Mothers’ Day to go with the stall which will be held on Friday of next week. Please support the P & C in their endeavours to raise money to support our students.

Our assembly this week will be hosted by 3W. I look forward to seeing many of you there!

Mr Patatoukos
