Thank you to all those parents who are using the No parking drop zone appropriately. As many of you will have noticed, the police have had a regular presence in the mornings as there are still a number of people who stop in the children’s crossing. The police will continue their regular patrols.

We are now planning for next year’s Kindergarten intake. Due to the growth in our numbers, we have now reached the point where we can only enrol students from our designated zone. Our boundary is Middle Arm Road but does include Merino Estate, but not Monastery Gardens. Please note that families with a child currently enrolled at Bradfordville but who live out of zone will still be able to enrol their Kindergarten sibling.

A letterbox drop is planned for the next couple of weeks. If you are able to help whilst out on your daily walk, please return the request note which will go out shortly.

The first of our Kindergarten Orientation sessions will be held on Wednesday, 19 August, 2015 from 11.30 pm to 1.00 pm. There will be a short parent information session which will outline the new orientation program we will be implementing this year. If you have not enrolled your child yet, please do so ASAP. Enrolment packages are available from the school office.

Teachers are now into report writing mode. Please remember that this is a snapshot of your child’s progress at this point in time. Please take up the opportunity of an interview with your child’s teacher.

I hope you enjoy the Kindergarten “I want to be..” photos!

For the last week we have been experiencing issues with our telephone lines. We are down to one line and if engaged, your call may ring out. Telstra have assured us that they will fix the issue ASAP. Please bear with us as we work to resolve this issue.

CHANGE OF CONTACT DETAILS FOR STUDENTS

Parents are reminded to keep contact details up to date. If you have had a change in phone numbers or address, please notify the school office as soon as possible. Being unable to contact you, particularly if your child is sick, can be distressing for them. Please also keep alternative emergency contact numbers up to date.
