Pre-Service Teaching Program

Miss Barden has been working with K/1P for the last two weeks. She is in her second year of training at University of Canberra. Miss Barden has been doing both small group and whole class activities with K/1P.

This week’s value is: FAIRNESS
FROM THE PRINCIPAL’S DESK

Over the next week, our primary students have the opportunity to be involved in a number of gala days. Tomorrow, 28 students will participate in the Gilbert Croker Shield Rugby League Gala Day. Next Monday, 28 students will participate in the soccer gala day and on Tuesday, 14 students will participate in the girls hockey gala day. The soccer and hockey gala days are for schools entered in the State PSSA Knockout competitions. During next term, we will have the opportunity to participate in a number of non-competitive gala days including cricket and touch.

Teachers are now finalising their reports which will be sent home on 22 June. Please take the opportunity to have an interview with your child’s teacher on 24 June.

During the upcoming school holidays, we will again be having a considerable amount of work being done at the school. The sealing of the staff car park will be completed which will allow for better access for service vehicles such as garbage trucks, delivery vans and postal services. We will also have a number of trees removed and chipped as detailed in the tree assessment which was undertaken in 2014. The removal of the trees will make the playground a safer place. These trees were identified as low risk but needing to be removed in the future. Cleaners will also be on site in the second week. The hall floor, which was to be treated and sealed, has now been postponed until the September holidays, when it will be warmer.

We are still having issues with some parents who stop their vehicles in the No Stopping zones around the school. These are the Children’s Crossings. Please use the No Parking drop off area in front of the school. It is only a few metres from the crossing!

Next Tuesday, our new Assistant Principal, Mrs Middleton, will be spending the day with us. She will be meeting students and staff, as well as getting to know the programs and processes we have implemented at Bradfordville PS.

Please note that the P&C, as one of their fabulous fund raisers, have organised a pie drive which closes for orders on 17 June. Please support the P&C in its endeavours by buying some pies, sausage rolls and pasties to enjoy during the school holidays.

Mr Patatoukos
Principal

LATE TO SCHOOL

Lateness not only affects your child’s education - it doesn’t allow them the social time to settle with their friends, they may feel upset or embarrassed, and it disrupts the rest of the class. Being frequently late for school adds up to lost learning:

- Arriving 5 minutes late everyday adds up to over 3 days lost each year.
- Arriving 15 minutes late everyday is the same as being absent for 2 weeks a year.
- Arriving 30 minutes late everyday is the same as being absent for 19 days a year.
SCHOOL DENTAL ASSESSMENT PROGRAM
Kindergarten to Year 6

School dental assessments will be held at Bradfordville Public School by dental therapists from Goulburn Community Health on Thursday 25 June 2015.

Please complete the consent form, sent home with today’s newsletter, and return it to the school office by Wednesday 24 June. Please ensure you include your Medicare number on the form.

If you require further information about the school dental program, please contact Elizabeth Hogan, Dental Therapist at Goulburn Community Health on 4827 3909.
