Welcome Mrs Middleton!

Mrs Middleton has taken up the role of Assistant Principal (primary) and teacher of 3/4M.

This week’s value is:
Integrity
FROM THE PRINCIPAL’S DESK

Welcome back to another busy term! Our focus for the first three weeks will be the Goulburn Community of Schools concert which will be on Tuesday, 28 July. If your child is performing in a dance group, drumming group or choir, they will have received notes today including ticket requests. Please return these ASAP.

I would like to welcome Mrs Middleton to Bradfordville Public School. She will be a great asset as Assistant Principal with her depth of knowledge and skills. Mrs Hayes will take over as our release teacher whilst Mrs Adam is on leave and Mrs Gunther will take over from Mrs Beer whilst she is on leave.

Over the holidays, we had a number of trees removed which were identified as potentially dangerous. The offending trees have been chipped and we have a number of piles of mulch which will go into our gardens.

The carpark project is almost finalised. The hotmix has been laid and we are now awaiting the barrier posts and line marking. This project has taken three years but the final result is worth waiting for!

Although we have only been back one day, we are already having issues with contact details for parents which are incorrect. If you have changed your phone details, please ensure that you provide these to the school office.

Mr Patatoukos

KM have made beautiful artworks of colourful sea creatures.

My artwork has things of colours. There is a fish in the ocean.

The fish is on the sandy bed if it is feeding for its food that has fish food. Great escape

We have been reading Rainbow Fish discovers the deep sea.

We have been making fish out of paper. These are Unit ideas.

We have been making a fish out of our ideas. These are Unit ideas.
