FROM THE PRINCIPAL’S DESK
Welcome to Education Week! Last night our students performed at the Goulburn Community of Public Schools (GCOPS) concert at the Workers Club. Our dance groups, choir and drummers were outstanding. I would like to commend all the students who participated and all the staff involved with the training of the students. We are lucky to have such talented staff in our school. All of this though could not happen without the support of all staff, both non-teaching and teacher colleagues. Your child is extremely fortunate to attend a school where cooperation between staff is a feature!

Tomorrow, we will be holding our Open Day between 10.15 am and 11.15 am. Parents, family and friends are invited to attend their child’s classroom, look at what they have been doing and have morning tea with them. The canteen will be stocking extra items for morning tea.

On Thursday afternoon, all students will attend the NED anti-bullying performance. This is a free show which is supported through the sale of yoyos. An order form went home last week with the newsletter. Yoyos can be purchased until the end of next week.

If you are walking through Goulburn Plaza (Centro), you will see a number of notice boards with children’s work and photos. Our school has two boards, both sides set up outside OPTUS. Please make the time to have a look. As well, next week, you will hear lots of ads on the radio about our GCOPS. We are the Business of the Month for August.

Finally, I would like to thank all the families who have downloaded the Bradfordville PS app from the various app stores. This has made it much easier for us to send out last minute reminders etc. We aim to increase the content on the app over the next term. Currently, we have over 60 downloads. All you need to do is a search for Bradfordville PS and the free download will come up.
