FROM THE PRINCIPAL’S DESK

Thank you to everyone who supported our school by attending the Education Week events. We had a large audience at the concert on Tuesday night and lots of family and friends at the school for Open Day on Thursday. I have also had very positive comments from many of you regarding the displays at Goulburn Plaza last week.

All our students participated in the NED show last Thursday. It was a great performance and gave students lots of strategies to prevent bullying. This show is funded through the sale of yoyos which will be available until the end of the week.

Tomorrow night, two of our students, Kendall Cribb and Mackenzie Angus will be performing with hundreds of other students from around the state in the Opera House Strings concert. The two girls have been learning the violin here at school. If you are interested in your child learning the violin, please contact the school for further information.

Today, I submitted our anticipated numbers for 2016. My estimate is 270 students which will allow us to continue with 11 classes. The first of our Kindergarten Orientation sessions will be held on 19 August, 2015 at 11.30 am. If you have not submitted enrolment forms yet for your child, please do so ASAP.

Many of our Year 5 and 6 students and some younger students in the SRC have leadership roles within the school. Each student is given a badge on which they are asked to write their name on the back. We are getting lots of requests from children for new badges as they can’t find them or they are lost.

These badges are ordered yearly at a substantial cost and we cannot just give out new ones on a regular basis. Any badge replacements will have to come at a cost of $4.00 each and students may need to wait until we have a reasonable size order.

FITNESSATHON
Wednesday
16 September
We were looking at the Area of different shapes in our Maths lesson.
I would like to share this article written by Anna Taylor from the Daily Telegraph with you and hope you give it some thought.

“The role of the tuckshop is twofold. It feeds and it also fundraises. The money made from canteens helps our schools purchase vital equipment and learning materials for our kids. But sadly, many are in danger of closing. Why? Because no-one will volunteer.

Sure, many parents are busy juggling careers and family life (me included) but there are many others who could offer support, and even an hour or two at your school canteen would help ensure its survival. My school regularly puts out a “canteen plea” on its Facebook page for helpers. This week I answered their call. It was bloody hard work, but I’m so glad I volunteered. I met some new mums, I had a few good laughs — and now I’m on a mission to make canteen duty “cool” again.

Sign up. Give it a go. I promise, your kids (and your school) will love you for it.”

If you are able to assist in any way please contact our Canteen Manager, Mrs Chapman at the canteen, by emailing bvilleSchoolCanteen@bigpond.com or like us on Facebook.

VOLUNTARY CONTRIBUTION SCHEME ENVELOPES
The purpose of this scheme is to allow busy parents the chance to contribute to the educational welfare of our students. It is suggested that the contribution be $10 per family per term, but any contribution big or small is greatly appreciated. Contributing families will receive the receipted envelope back with the final newsletter of this term.

P&C NEWS
Keep up to date with what the P&C will be doing by way of this newsletter which will be sent home on the Wednesday following our meetings, as well as the school website where the Newsletters and meeting minutes will be published. Just go to:

Better still; come along to our meetings on the first Tuesday of each month. New members are always welcome.

FUNDRAISING UPDATE
Preparations are well under way for the Fitnessathon which is our major fundraiser for the year. Letters were sent out to 200 local businesses last term, asking them for donations of products for our monster raffle or a cash donation if they prefer. We are starting to get a steady response from these businesses and our Fitnessathon Coordinator, Susan Mills has been busy, running all over town to picking up these donations for our monster raffle.

It would be terrific if we could match or surpass last year’s record total of $15,000. Whatever the amount raised it will inch us closer to the amount we need to fund a new building that will sit behind the canteen.

Our Pie Drive that was held at the end of Term 2 was an outstanding success, raising over $700. Thank you to those of you who purchased some pies, we hope you enjoyed them. Thank you also to Corrine and Susan who were on hand to sort and deliver the pies.
