This week’s value is: Fairness
This week, we have had issues contacting some families who have changed telephone numbers and not provided these details to the school. It is essential that we are able to contact you when your child has forgotten their food or if they are feeling unwell in the sick bay. It is extremely distressing to a child when they are sick and we cannot contact you to collect them.

Most parents we contact when their child is in sick bay are very understanding and collect their child in an appropriate time frame. Unfortunately, we have a small number of parents who become quite irate towards staff because they don’t believe their child is ill. Our policy is that if a child tells us that they are sick, we will contact you to collect them. We do not have the skills to make a medical determination and leave that to you, the parent who knows them best.

Please note that there will be no assembly this week due to staff training commitments.

CRUNCH AND SIP

It is great to see Bradfordville students taking part in daily crunch and sip. Just a reminder that only one piece of fruit (preferably cut up) and water is to be consumed during crunch and sip time - other food can be eaten at recess.
