FROM THE PRINCIPAL’S DESK
We are now coming up to a very busy and exciting end of term. Tonight we will be holding Braddy on Stage. Tomorrow, students can purchase Father’s Day gifts and on Friday, our Year 6 students will head to Mulwaree for their Orientation Day. K/1P will host our school assembly on Friday and on Tuesday, all our K-3 students will participate in the annual SPACEXpo event. Whilst all this is going on, we are preparing for our Fitnessathon, which will take place on Wednesday 16 September.

At last night’s P&C meeting, a grant to purchase the Australian Book Council Book of the Year shortlisted books was provided to the school. These wonderful books have been available for our students to look at when they come to the library each week.

Last week, a number of people were booked by police for letting out students in the No Stopping zone. Please make the effort to stop in the correct area to help ensure the safety of our students. Another issue we are currently encountering is extremely late phone calls to the office regarding changes to students going home arrangements. Please let us know as early as possible regarding the afternoon arrangements for your child.

I have received positive feedback regarding the school’s app which you can download from the various app stores. Just search for Bradfordville PS and download as instructed. This will allow you to access alerts about upcoming events, change of details forms and absent notes which can be filled out online.

I look forward to seeing lots of you tonight at Braddy on Stage.
