FROM THE PRINCIPAL’S DESK

It was great to see so many families at the Meet, Greet and Eat last night. Our teachers were pleased to be able to put names to faces, as you probably were.

Thank you also to those parents who completed communication surveys. Please take the opportunity to return the interview slip for the introduction interviews over the next two Tuesdays to give yourself the opportunity to talk about what makes your child tick!

Congratulations to all of our students last week on an outstanding swimming carnival. We will be sending a team of 25 to the district carnival next Tuesday. A swimming report will be in next week’s newsletter.

Included in this newsletter will be a copy of the communication newsletter. Please take the opportunity to complete and return to the school via the office or your child’s class.

As some of you are aware, we are asking that you send in all your child’s ribbons when they are due for an award so that we can check our database and provide you with a plastic envelope to keep them in. This envelope will also have the process and your child’s progress clearly defined on it. Please ensure that your child’s awards are submitted by the Monday before the assembly (even weeks). It actually takes a fair amount of time to check the awards, put on the database, provide letters and so on. If awards come in after the Monday, they will be held over until the following assembly. You will receive a note saying that your child will be receiving the award.

Our assembly this week will be hosted by 5/6R which we are all looking forward to!

Mr Patatoukos

LIBRARY NEWS

We have had a great start to the year in our library lessons. One of the changes in the library this year is the opportunity for Years 5 and 6 students to nominate themselves for the role of Library Monitor. Students were given the opportunity to complete an “Expression of Interest” for the position and they are required to return them to the office by Tuesday 23rd February. Students who may not have received a note can collect one from the library.

I also encourage the return of the “Permission to Borrow “notes so students may borrow books to take home as well as receive a Harry Potter bookmark!

Mrs Hayes

STAGE ONE PHOTO REQUEST

As part of the Stage One Science and History Units of work, students in Year 1 and Year 2 are asked to bring in a baby photo and a family photo.
**KINDERGARTEN PARENT INFORMATION SESSION**

**SCHOOL BANKING PROGRAM**

School Banking is a fun, interactive and engaging way for students to learn about money and develop good savings habits.

The program provides an opportunity to make deposits into their Youthsaver accounts at school each week. The program is about how often your child makes deposits, not how much they deposit.

Students will receive a yellow Dollarmites wallet and deposit book to bring their money to school. Each deposit, regardless of amount, earns them a silver Dollarmites token. Once they've collected 10 tokens they can redeem them for a reward.

To get your child started on their savings adventure, you’ll need to set them up with a Youthsaver account. You can do this in one of three ways:
- **Online** (existing customers only) log in to netbank.com.au;
- **Visit any Commonwealth Bank branch** to set up an account or;
- **Pick up an application form** from the school office.

I am trying to encourage the kids to drink more milk so every recess the “Munchbox Milk Bar” is open. Milk sipahhs and cold milo are available everyday plus every few weeks there will be fruit smoothies and milkshakes. The sipahhs and milo are $1.40 or the children can combine them with any food item from the 2 for $2 tray.

Macaroni cheese is now back in stock.

**Recess specials**
This week – Carrot sticks, cheese, crackers & dip bowl - $1.40
Next week – Banana smoothie - $1.40 or combine with any item from the 2 for $2 tray.
