FROM THE PRINCIPAL’S DESK

Tuesday afternoon saw the second of our Introduction afternoons. From all accounts, these were extremely worthwhile, both for teachers and parents. I would like to thank the class teachers for staying back for these meetings, as well as all staff for hosting the Meet and Greet a couple of weeks ago.

Yesterday, we hosted over 400 students who will participate in the Goulburn Community of Public Schools massed choir in Education Week. Ex-Bradfordville teachers Mrs Cribb and Ms Powles led the workshop. Over 40 of our students will be part of the event, which will take place in August.

Thank you to the families who have sent in all their certificates and ribbons so we can issue a folder to you. Please only do so though, when your child has earnt their next one. Also please be aware that if your certificates have been signed, stamped or hole-punched, they can’t be used again! To receive an award at the next assembly, ribbons and certificates must be in by the Monday of that week (even weeks). If they come in after this, you will receive a note telling you this and giving the date of the next assembly.

Today, our year 4, 5 and 6 students were lucky enough to participate in environmental workshops presented by the Veolia. They provided an incredibly worthwhile message to our students.

Our next school event will be the athletics carnival for all students, K-6. Please return notes ASAP. Our younger students will be attending Hudson Park for a practice session before the carnival.

KINDERGARTEN - YEAR 2

If any families have two litre or four litre ice cream containers at home that they no longer require, could they please be bought into the school office.
