VALUE OF THE WEEK

COOPERATION
FROM THE PRINCIPAL’S DESK

Congratulations to our two swimmers, Rhiannon Wild and Isaac Mills, who participated in the regional swimming at Dapto on Tuesday. Both swimmers did extremely well, swimming personal best times and Rhiannon finishing 6th overall in the freestyle.

Congratulations to Cate Albury on her selection in the district netball team to attend the zone trials. A great effort from someone in year 5!

I have been notified that our school hall will be painted in one of the upcoming school holiday periods as some extra funding has been made available for maintenance tasks. We have also been nominated for a toilet upgrade to our main toilet block. I hope to have news on this shortly.

On Monday, 14 March, we will be holding our SRC induction ceremony. All SRC members should have taken home a note with details. We will be starting at 2.30 pm in the hall.

All our primary students have been participating in the heats of our field events, with the finals to be contested over the next couple of weeks. Our K-2 people have been to Hudson Park to practice running in lanes in preparation for our athletics carnival next Tuesday, 15 March. Hopefully, the weather will have cooled down a bit before then!

On Monday, we did the initial filming of the school virtual tour. This will be a promotional tool which will include voiceovers by students and various interviews. It should be completed by mid-term 2. What this did bring to light is that some students still have not brought back their permission to publish form. If you have not completed this for your child, please do so by downloading a form from our webpage and returning to school.

On Tuesday, members of the council Traffic Committee attended the school to discuss the issues around Ross Street. Please ensure that you parking appropriately in this area as it is very tight with lots of vehicles.

Mr Patatoukos

P & C BULB FUNDRAISERS REMINDER

Money and order forms are due back Friday 18th March.

LOST PROPERTY

Please ensure your child’s name is clearly labelled on drink bottles, plastic containers, school jumpers and hats.

On a daily basis we find these items with no child’s name clearly marked on them. As a result it is often difficult to find the owner of these items. Often many items are never claimed.

**MERIT AWARDS**

Positive behaviour and student achievement are rewarded at Bradfordville Public School. Students are encouraged to collect achievement awards, and bring them back to school for further recognition. Ten achievement awards are exchanged for a red honour ribbon. The ultimate goal is a medallion, worth fourteen red ribbons and students also have their name inscribed on an honour board. Use this folder to store and track all awards.

Red ribbons are presented at our school assemblies and awards **must be handed into the office on the Monday of assembly week**. Assemblies are held fortnightly on Fridays. Parents will receive a letter notifying them when their child will receive their red ribbon at assembly.

Students will receive their own red wallet (see below) when they send in their next 10 achievement awards and awards that they have at home. This will allow us to reconcile the number of ribbons your child has and record it on the wallet and in our data base.

Please return all awards in this folder each time achievement cards are redeemed for a red ribbon. This will ensure the next merit level is awarded and the accuracy of our data base.

New students can bring in awards from a previous school to be recognised in the honour system.

Please contact our school office on 4821 4936 for any further information.
