2016 Years 5 and 6 Senior Uniform Options

As you may be aware the P&C in consultation with the school adopted a trial Year 6 uniform for 2015. At the last P&C meeting it was decided to continue with this uniform option for 2016 Years 5 and 6. The uniform option is:

**Girls**
- Black microfibre skort, with half elastic waist, hidden knit bike shorts, zip pocket and side front pleats with the letters BPS as a digital print
- Red & black polo shirt printed with school logo

**Boys**
- Red and black polo shirt printed with school logo worn with the current grey shorts

There are a few of these items at the canteen if you would like to look at the style and sizing. Approximate prices at this stage are $23.00 for the skort and $22.00 for the polo shirt.

An order for these garments needs to be placed by the end of this month for the beginning of term 4. To get an idea of quantity and sizes needed, please complete and return the order form below with a non-refundable deposit of $5.00 by Thursday 20th August.

Any girls and boys currently in Years 4 and 5 who may need to purchase new dresses or white polo shirts for next term may switch over to the new option for the rest of this year. The new uniform *is not compulsory* and will run concurrently with the existing dress and white shirt.

Please contact me if you require any further information.
